Kayla Anabella Palmer is the daughter of Stephen Palmer Jr., District 11 maintenance leadworker, and the granddaughter of Stephen Palmer Sr., a landscape maintenance worker who lost his life on the job in 2011. Kayla attends kindergarten at Greg Rogers Elementary School. She loves playing with her dolls, drawing, riding her bike and scooter, going to the park, and playing soccer. This message is important to her because she doesn't want her daddy and his friends to get hurt at work.
